

# KOO SCHADLER NH STUDIO WORKSHOPS

## Where to Eat

### **Alstead, NH (where the studio is located)**

The Amos Shepard B&B, located ½ mile from the studio, will provide lunch for interested workshop participants. Students can order additional items from the menu for dinner - food will be delivered at lunchtime but can be stored in the studio refrigerator.

Aside from a minimally stocked general store (3 miles from the studio) there are no other food options in Alstead. However there are plenty of places to eat in the surrounding area. Here are the most popular choices, listed in order of proximity to the studio.

### **Walpole, NH (9 miles from the studio)**

#### **Burdick's**
